

BURKE'S MARINA

Raquette Lake, New York

On one of the Adirondack's most beautiful and famous lakes...

Sales / Service / Rentals / Storage

Four Winns didn't invent the modern deck boat. But we've gone a long way toward perfecting it. Consider the 214 Funship. It's part RV, part SUV, part sports car. But the best part is it's a Four Winns. Which means it comes with a roster of standard features you won't find collectively on other boats twice its size. So if you need a boat that can change as quickly as your plans do, make it a 214 Funship. The 214 Funship is available with stern drive power up to 300 hp.
